"Our kitchens are trusted by some of India's most respected families — including Mukesh Ambani and Anant Ambani of Reliance, cricketers M.S. Dhoni and Harbhajan Singh, actors Ranbir Kapoor, Shilpa Shetty, Chiranjeevi, and Akhil Akkineni, and business leaders like Peyush Bansal (Lenskart) and Rizwan Sajan (Danube Group)." Use 2–3 names max per call — do not read the entire list.

PART 3 · VIDEO NARRATION SCRIPT (ENGLISH)

The narration for this module's video — readable now, listenable once the video is produced.

Trust isn't something you claim. It's something you demonstrate — through recognition and through who else has already said yes.

In February 2026, Magppie won the Most Unexpected Innovation award at KBIS in Orlando, the world's largest Kitchen and Bath Industry Show, placing alongside global names like Caesarstone and LG.

And the client list speaks for itself: families like the Ambanis, cricketers like M.S. Dhoni and Harbhajan Singh, actors like Ranbir Kapoor and Shilpa Shetty, and business leaders like Peyush Bansal of Lenskart.

One important rule: never read the full list on a call. Two or three names, chosen naturally, land far better than a recitation.
