

Module 10

Locations & Serviceability

The verified store directory, PAN-India and international serviceability, and exactly what to say when a customer's city isn't listed.

Topics: locations-serviceability

Locations & Serviceability

RULE (VERBATIM)

NEVER say: "We have stores all across the country" without specifics. ALWAYS offer: sample delivery or a video call if the customer's city is not listed.

Store directory (verified)

Location | Address | Status

- | | | | |

- Services are PAN India, plus international expansion (Florida store open).
 - City not listed? Offer a sample delivery or a quick video call with an expert — never a vague deflection.
 - Projects in a specific city: "We have done multiple projects across India. I can check with our team and let you know about installations in your city."

MAINTENANCE NOTE

Store statuses (Bangalore/Hyderabad openings) change faster than the rest of this content — this module is deliberately structured for easy updates.

PART 2 · VIDEO NARRATION SCRIPT (ENGLISH)

The narration for this module's video — the same voiceover you hear on the module page.

Where are your stores? It's one of the first questions — and one of the easiest to get wrong.

Never say 'we have stores all across the country' as a vague deflection. If their city isn't on the list, always offer a sample delivery or a video call with an expert.

Open today: three Delhi stores — Sultanpur, Kirti Nagar, and Saket at Select City Walk. Mohali. Mumbai at Lower Parel. Surat. And internationally, Gainesville, Florida. Coming up: Bangalore, Indiranagar — about a month out. And Hyderabad, Jubilee Hills — under renovation.

Service is pan-India, with international expansion under way. Asked about projects in a specific city? We've done multiple projects across India — I can check with our team about installations in your city. Precise, honest, helpful.
